It looks like the AOC will be signed by EPA and filed on Monday. As noted by Cynthia below, we are coordinating with CFAC and congressionals regarding the press release and notifications. Please let me know if you have any questions about our proposed path forward.

Thanks,  
Suzanne

**Subject:** Rollout of CFAC AOC announcement

Hi, Suzanne.

The conference call with CFAC this morning went really well, and we are all on the same page regarding the timing of our press releases. Once the AOC is signed, we plan to give CFAC a specific time when we will issue our press release (likely to be early afternoon). They will send theirs out at the same time.

We will build in adequate time before we send the PRs to contact congressionals and local officials. We are planning on 15 minutes lead time, but I will confirm that with Rebecca on Monday.

Please let me know if you, Deb or Joan have any questions or concerns.

Thanks!  
Cynthia
